

Are you First Gen?
Have you experienced economic hardship?
Are you a person with a disability?
Well this is the program for you!

TRIO Virtual Summer Program "2020 Excel: Advancing Academic Excellence"

There are a limited number of spaces available!

- Dates are August 9th – 28th
- Excel offers academic enrichment courses in math and writing, success seminars and skills workshops
- You will have the opportunity to get an early start and actual points on actual homework required for your Math course in the fall!!
- This program is completely **FREE!**
- All required materials are provided including a **FREE laptop and FREE hotspot!**

To participate you must complete two applications:

1. MSU – TRIO Student Support Services Application: This is a federally funded program which requires us to determine eligibility to participate
2. TRIO Virtual Summer Program Application – "2020 Excel: Advancing Academic Excellence"

I AM. YOU ARE. WE ARE. TRIO!
